

SCAM ALERT!

BEWARE of malicious apps

Scammers are tricking victims into downloading malicious apps to steal their money, including CPF monies for those eligible to withdraw.

✗ DON'TS

- **DO NOT scan** QR codes from unknown sources. Verify them with the authorities or business owners.

- **DO NOT download** unknown apps from a third-party website.

- **DO NOT grant access** to unknown apps as this may give scammers full control of your phone.

✓ DO'S

- **DO check** the app's number of downloads and user reviews.

- **DO update** your phone with the latest patches and install an anti-virus app.

- **DO be wary** of requests for banking credentials and money transfers.
