

BEWARE OF PARCEL DELIVERY PHISHING SCAMS

Received **unsolicited message or email** asking for **additional payment** to facilitate delivery?

It is a **phishing link** to reveal your **banking or credit card details**!

ADD two/multi-factor authentication to your banking apps and e-wallets.

CHECK the authenticity of the information with the company or e-commerce platform directly.

If unsure if the situation you are facing is a scam, call the **ScamShield Helpline** at **1799** to check.
